To: Immunization Information System (IIS) Users
From: Montana Immunization Program
Date: December 13, 2011
Subject: *imMTrax* Training Opportunities

The Montana Immunization Program replaced WIZRD, with a new IIS, *imMTrax*, on Monday November 14th 2011. A variety of *imMTrax* training opportunities are available including:

Monthly *imMTrax* User Call

Beginning January 31st 2012 the Immunization Program will host a monthly *imMTrax* User Call. Subsequent user calls will be held the 4th Tuesday of the month from 9:00am-10:00am. User calls are an open forum for users to ask questions, provide feedback, and learn more about the application.

Resources on the Web

The *imMTrax* website www.immtrax.mt.gov features a section specifically for [imMTrax Users](#), which houses user resources including applications for Read Only & Data Entry accounts, the *imMTrax* Provider Handbook, a U.S. Immunization Information System directory, forecasting algorithm updates, and training videos.

Read Only Training Video

The Read Only training video outlines how to log into the system, search for patients, view immunization records, and print reports. The video is available at <http://www.immtrax.mt.gov/users.shtml>.

Inventory Management Training Video

The Inventory Management training video outlines how to log into the system, manage your electronic inventory, setup your vaccine storage logs, and record cold chain temperatures. The video is available at <http://www.immtrax.mt.gov/users.shtml>.
